HUNDEGENUSS KATZENGENUSS

Animal Premium Food

Premium Dog and Cat Food in 100% Food Quality. Paw's Up Promise!

For more than 10 years, „Animal Premium Food GmbH" has been producing and distributing high-quality pet menus that convince every dog and cat owner with its high quality, nutritional concept.

Our promise for all our products:

100 %
Food quality

Animal Welfare

100 %
Natural

Our team comes mainly from a food production background and is therefore very familiar with the handling and processing of high-quality food.

Our company philosophy: Only the best ingredients and the best processing!
What is good for us humans, is also the best for our four pawed friends!
Species appropriate, healthy and varied nutrition for our pets through our „Pure Indulgence" pet menus.

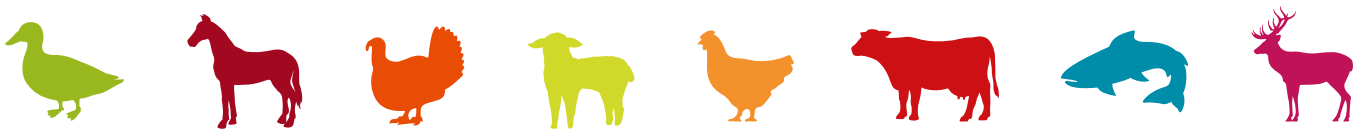

Species Appropriate Recipes

Contains 70 % meat

The formulas of our complete pet food line correspond exactly to the needs of the natural prey of your pet and are designed under scientific advice.

A highly natural diet is just as important for your cats and dogs, as it is for us humans. This lays the foundation for a healthy and long life. We therefore have made it our goal to produce high-quality & species appropriate menus.
A high meat content (approx. 70%), exclusively fresh ingredients from food production, high quality animal by-products, such as heart, lungs, liver as well as important fibers guarantee healthy nutrition.
